Than you (b) (6)

We will suspend any further contract phase in until further notice.

Blackstone-BCI has made a habit of paying the legal fees for the vendors and state BEP's in order to keep the contracts in which BCI is a part.

Our team stands by to support the Marine Corps anyway we can in defending this award.

Good morning, I found a similar case where the Department of Human Services, in Hawaii attempted to get a TRO but it was denied, I believe this was for Schofield Barracks back in 2017, and it was with a Blind Vendor and BCI. Same district court but a different judge. There have been several cases over the past couple of years where the RSA had lost an award and filed an arbitration using various tactics but, in the end, they lost.

Thanks

Subject: [Non-DoD Source] Re: Request for Copies of Bankruptcy Petitions
Date: Friday, July 06, 2018 12:48:36 PM

Dear (b) (6)

We did file a Ch11 Reorganization a little over a week ago as a result of an abbertration award against us to BCI. This is Blackstone Consulting's attempt to once again undermine TSG and preclude us from doing business . We continue to do business with all our projects and to obtain new contracts. This reorganization allows us to continue doing business.

We also have an existing lawsuit against BCI and Sodexo for having interfered with another contract we had. As such, I'm happy to put you in touch with our attorneys handling this matter. But we are willing able and ready to take over the Kbay contract awarded us. Again we are not closing our doors just a chapter 11 reorg.

In the meantime I have CC'd our attorney who will provide you copies of the requested documents.

Regards,
